## ***HELP***

**HELP** is a new organisation which is being established to assist people in need. It is being designed in a community service structure not an association. Everyone will be welcome and special low cost events will be conducted for the hypnotherapy community.

This organisation is being sponsored by the Academy of Applied Hypnosis. But the organisation is separate from the Academy although the Academy may provide some benefits to the members of **HELP**. If you want to be of service to others in a direct meaningful manner then fill in the form below or contact us via the web.

The Mission Statement below is a 1<sup>st</sup> draft. But it gives you the idea. If you want to be involved then we want your input.

### **Mission Statement**

To provide service to others, support to those who need support and assist those who can benefit from our specialist knowledge. To enhance people's lives through the benefits of clinical hypnotherapy being performed in an ethical professional manner.

### **Membership of *HELP***

Membership of **HELP** is free. It is asked you will participate in the community service activities as suits your schedule.
